CLERGY BENEVOLENCE FUND

With many weeks of remote services, illnesses, and loss of family employment, the Clergy Benevolent Fund has been utilized more than any time in the past ten years. Because of this, we are asking that you consider taking a special offering within your congregation for this fund. 100% of the gifts to this fund are used to support clergy during crisis times, such as these past months. Please make sure you mark your gift to the Clergy Benevolence Fund, and specify the church, so your congregation can get the credit.

During REFRESH this year, we will also receive a special offering to build up this Benevolent Fund. It is our honor to support other servants as they labor for Him.
